

Emily Nunez – IECC Building Codes Management Analyst – Ext. 7324

Emily is responsible for overseeing the building energy codes, energy efficiency and energy conservation related programs, and management of the ARRA grants received by the Renewable Energy and Energy Efficiency Authority. She has more than 17 years experience with the State of Nevada and served as operations deputy for Governor Jim Gibbons before transferring to the Renewable Energy and Energy Efficiency Authority. She was a key player in establishing the newly-created American Recovery and Reinvestment Act (ARRA) office created by Governor Gibbons in 2009. Emily has a Bachelor of Science in Business Administration from the University of Nevada, Reno.
