

Kevin Hill – Energy Project Manager – Ext. 7357

Kevin was hired as the new NRI project manager on August 15, 2011. Kevin came to the NSOE from the Department of Conservation and Natural Resources, where he was the state coordinator of the voter-approved 2002 Conservation Bond Program, also known as Question 1. This grant program produced nearly \$100 million in funds for the construction of trails, acquiring land for open space, stream restoration, planning and producing a LEED-platinum rated interpretive center. Previously, he worked with the Tahoe Regional Planning Agency as program manager for the Long Range Planning and Environmental Improvement Divisions and served as lead coordinator for academic institutions and federal, state and local entities that linked scientific research with public policy at Lake Tahoe. Kevin's experience has focused on building collaborative partnerships to produce on-the-ground results. Kevin has a Bachelor of Science degree in Watershed Management from the University of Nevada, Reno and is a Certified Public Manager.

Kevin enjoys the outdoors with his wife and son and is an avid telemark skier. He is active in cycling, hiking and fly-fishing. He enjoys riding his motorcycle and loves to explore the remote areas of Nevada.
