

**Office of the Governor
Nevada State Office of Energy**

**PRE-2007 APPLICANT PROJECT REGISTRATION FORM
FOR PARTIAL ABATEMENTS FROM TAXES IMPOSED ON REAL PROPERTY**
(Pursuant to the Adopted Regulation of LCB File No. R116-07)

- Please fill this application only if the applicant meets the qualifications set forth in Sec. 17 and Sec. 28 of the adopted regulation LCB File No. R116-07
- Include only building(s) or other structure(s) that is part of a construction project for which the Nevada State Office of Energy Project Registration Form was filed with and received by the Office of Energy before June 15, 2007 pursuant to the provisions of former NAC 701.480 and that is related to preconstruction or construction contracts submitted as proof that the owner qualifies as a pre-2007 applicant (Sec 17 and 28). If there has been a significant change in the scope of the building or other structure since the application was filed pursuant to the provisions of former NAC 701.480, please amend this application with the “Significant Change in the Scope of the Project Reporting Form” [Sec. 20].
- Please complete all sections of this registration form. Incomplete forms will be returned.
- Please provide any additional information for each section, using attachments if necessary

Please mail two completed forms and two redacted forms to

Stacey Crowley, Director
Nevada LEED Registration Form
Nevada State Office of Energy
755 North Roop St, Suite 202
Carson City, NV 89701

Project Title Associated With the Development or Modification of this Property (Sec 23.2.f)

Title
Additional Information:

Is the project registered with the USGBC in a campus or multi-building setting?

Yes ___

No ___

If yes, estimated total gross square footage of the project is:

**Office of the Governor
Nevada State Office of Energy**

For each building or other structure included within the affected real property (Sec. 23.2.g and Sec. 23.2.k)

Estimated gross square footage:	number of floors:
Proposed use of building or structure:	
Estimated cost of design & construction or retrofit of the building or structure (\$):	
Estimated cost of maintenance and operation of the building or structure (\$):	
Actual or estimated date of the start of the construction or retrofit:	
Expected date of occupancy of the building or other structure:	
<p>The applicable LEED standard and version on which the certification of the building or other structure will be based:</p> <p style="text-align: center;">LEED-NC ___ LEED-CS ___ LEED-EB ___</p> <p style="text-align: center;">Version:</p>	

- Please ATTACH a copy of the local government approval of the construction project (Sec. 15 and Sec. 23.2.1)
- Please attach proof that the building or other structure has been registered with the U.S. Green Building Council (USGBC) [Sec 23.2.g(7)].
- Please attach a statement containing the anticipated level and number of the applicable LEED standard at which the applicant expects the building or structure to be certified, in the form of a USGBC checklist identifying the specific LEED credits that the project team intends to achieve (Sec. 23.2.g(9)).
- Please attach a statement explaining the anticipated points and how these points will be achieved for energy conservation under the LEED Green Building Rating System Energy and Atmosphere Credit 1 (Optimize Energy Performance)

Office of the Governor
Nevada State Office of Energy

**Is any funding for the acquisition, design or construction of the building or structure and associated land being provided by a governmental entity in this State?
[Sec. 23.g(10) and Sec.28.1.d]**

Yes ___ No ___

If yes, please list all sources of funding for the acquisition, design, or construction of the building or structure, and associated land provided by a governmental entity in this State [Sec.23.g(11) and Sec.28.1.d]:

Is this building or other structure expected to receive any other abatement or exemption pursuant to NRS 361.045 to 361.159, inclusive, or chapter 701A of NRS from the taxes imposed on real property by chapter 361 of NRS [Sec.23.2.g(12)]?

Yes ___ No ___

If yes, please list all expected abatement or exemption pursuant to NRS 361.045 to 361.159, inclusive, or chapter 701A of NRS from the taxes imposed on real property by chapter 361 of NRS.

Is this building or other structure, or any part thereof, or expected in the future to be exempt from the taxes imposed on real property by chapter 361 of NRS pursuant to any provision of law other than NRS 361.045 to 361.159, inclusive, or chapter 701A of NRS (Sec 23.2.i)?

Yes___ No ___

If yes, please explain

Office of the Governor
Nevada State Office of Energy

Has the building or other structure been already issued a certificate of occupancy and certified by the U.S. Green Building Council (Sec 23.5)?

Yes ___

No ___

If yes, please list the

Date the certificate of occupancy was issued:

Date the building or other structure was certified by USGBC:

Please list any improvements in the project that are not expected to be considered for LEED certification (Sec. 23.2.j):

Please identify any information included in this application which the applicant considers to be confidential (Sec. 23.4) and provide a citation to the specific statute or other legal authority that makes the identified information, confidential
